## Co-curricular Opportunities

Co-curricular programming provides learning opportunities that support the Goals for Student Success beyond the scope of classroom requirements. Co-curricular programming at Western Wyoming Community College intentionally contributes to the educational experiences of students by complementing academic programs and courses, and by strengthening each student's personal and professional growth.

Arts and Humanities	+
Business and Computer Technology	+
Health Sciences and Wellness	+
Manufacturing and Industrial Technology	+
Math and Science	+
Social Sciences and Education	+

## Want to learn more about us?

Western is an award-winning college in both our on-campus and distance learning programs. We believe our students come first, and your success is our #1 priority. Our motto says it best: "Enter with passion, leave with purpose". Let us help you on your path to success!
