# Counseling

Licensed mental health professionals are available to assist all students with any personal issues that may prevent educational success and or personal wellbeing. Counseling Services are provided in a confidential, positive and supportive environment where students feel free to voice their thoughts, feelings, ideas, and become empowered to pursue their personal and educational goals. Individual, couple (both of whom must be students enrolled at Western), and group counseling are available to all credit pursuing students.

Please call 382-1652 or stop in room 1227 on our Rock Springs campus to make an appointment. Counseling sessions are available via ZOOM upon request for outreach and online students as well as due to the COVID-19 pandemic.

Crisis intervention services are offered during regular office hours for students with urgent problems. Please call or come in and inform our office assistant that you have an urgent crisis. Mental health professionals can also be reached after hours for crises. For after hours contact:

- Western Wyoming Community College Protective Services: (307)922-4961 or 382-1690
- National Suicide Prevention Hotline: (800)273-8255(TALK)
- Southwest Counseling Service: (307)352-6680 or 875-5515
- Dial 911 for emergencies
