Distance Education

Registration Requests

The seven Wyoming Community Colleges and the University of Wyoming are proud to work together to present this comprehensive listing of college classes offered by distance delivery methods. The class listing is updated each semester in order to prepare for pre-term registration.

Please note that you can only make registration requests through this website. Your enrollment information will be sent to the college hosting the class(es) you request and that college will contact you regarding the success of your registration request. There are many factors that may limit registration, including course pre-requisites, enrollment caps, and student status.
