Online Learning

An Education That Fits Your Lifestyle

Western offers quality online degrees in many of today's in-demand fields including health care, <u>information management</u>, <u>business administration</u>, <u>education</u>, social media and much more.

We strive to meet the educational goals of all types of learners by offering <u>11 fully-online programs</u> and <u>7 fully-online</u> <u>certificates</u>, while providing the same quality resources for online students as we do our on-campus students, including online-tutoring, virtual-advising, library resources and 24-hour tech support.

Online learning is flexible, convenient, and accessible wherever you have a reliable Internet connection. There is no need to spend time and money commuting or relocating.

Check out our online programs and get an education that suits your lifestyle.

Western cares about your success! Check out some tips aimed to help you with Online Learning!

Don't stay inside all day. Get out, open doors or windows, sit in the grass. Homework doesn't mean you have to stay inside to work.

Mustang Athletics Q

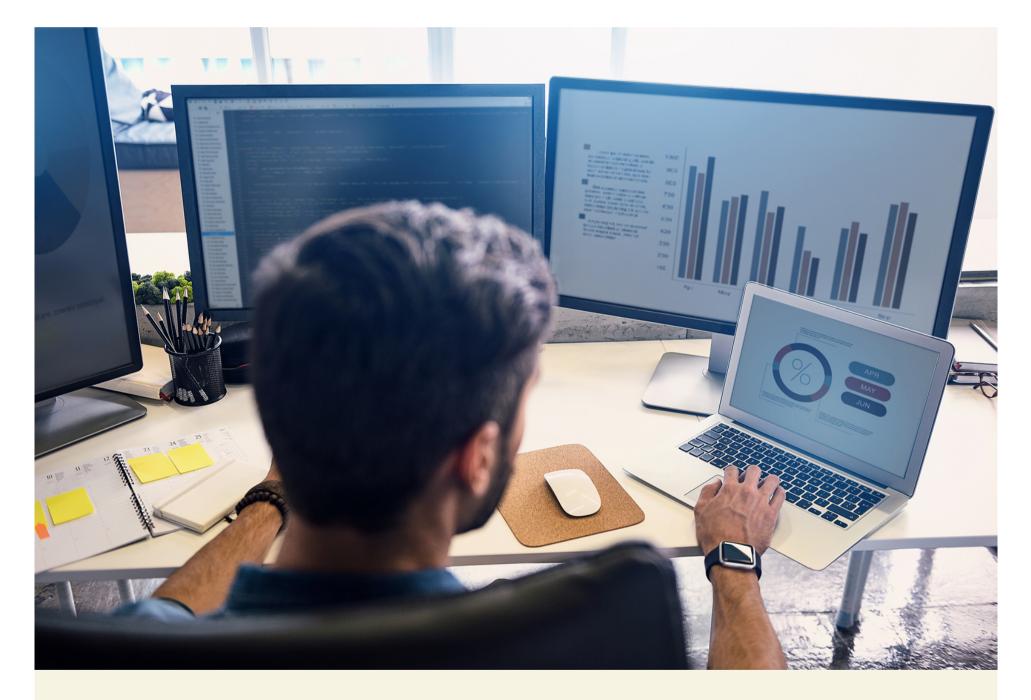

Spotlight! Innovative Faculty of the Year

"Jason is constantly coming up with creative ideas to make math entertaining and more understandable."

Application Software Certificate

Today's businesses require highly skilled individuals in the area of computer applications software and concepts to assist in detailed and overall business processes and practices. This certificate will provide students with advanced skills in current popular/industry standard application software programs giving them a competitive edge and expertise to assist businesses in every industry and discipline.
