Visual & Performing Arts

If you enjoy being creative whether through your voice, instrument, design, movement, or images, then a degree in the Visual & Performing Arts is for you.

Regardless of whether you're just starting out or have been working on your art for years, our programs are designed to allow students to develop at the pace that is right for them. Our small course sizes allow students to work closely with faculty on the development of skills. Creating a friendly and safe atmosphere allows students to feel more confident to make bold decisions. Students participate in shows, plays, and concerts every year, which helps build their resume and makes them attractive potential students if they choose to transfer.

Here, attitude is everything. If you are prepared to work hard and love what you do, then we are eager to welcome you aboard.
