Standing Committee Charter

Committee Name Program Review Committee

Mission To read and review every program review each year, and to provide an executive summary of each program review to the program and the President's Cabinet. This collaboration will ensure that the results of the program reviews are shared with institutional leaders.

Responsibilities Committee members will review program reviews from June-August each year, and work in teams to provide executive summaries of each review back to the program and to the President's Cabinet by August 31st.

Chairperson(s) Cammie Pollastro

Recorder(s) To be determined

Audience Western Leadership and the President's Cabinet

Creating Membership Appointed

Term Ongoing

Meeting Frequency Weekly during the months from June-August

Measures of Success The committee will be effective when each program review for that academic year has been summarized and submitted to the program and the President's Cabinet.
