The most robust source of college and university information available. **Anywhere.**

4,000+

accredited colleges
& universities
20+ countries

included in our
college search

50+ years

providing
comprehensive
school data

Peterson's comprehensive online college search guide helps students discover their best fit educational program. Two-year or four-year. Undergraduate or Graduate. Certificate program or online degree. We've got them all—and we'll help you sort through your options and provide advice on the often confusing college application process.

Meet Your Match

Not sure where to start? Let Peterson's connect you with programs that are interested in YOU. Chances are that there are great schools you've never heard of, in places you've never considered...until now.

Sort & Filter

Use our search filters to narrow down your options based on location, offered majors, tuition, and more!

Save & Connect

Once you find schools that match your interests, save them to your personal dashboard and directly connect with those schools to request more information or apply.
