

NEW BOARD MEMBER ORIENTATION

Reference: None

New Board members will be thoroughly oriented regarding the Board's functions, policies, procedures and current College issues of special significance. They will meet with the Board President, College President and other appropriate College employees as necessary and will be given appropriate printed materials that relate to the College as well as a tour of the facility.

Original Adoption	January 26, 1989
Revised	August 8, 2002
