**GOALS FOR STUDENT SUCCESS**

The College's Goals for Student Success exemplify its commitment to comprehensive learning and serve as the foundation for the College's assessment program. Graduates from all programs should be able to demonstrate skills in these areas.

The Goals for Student Success read as follows:

- Communicate Competently
- Solve Problems Effectively
- Retrieve Information
- See Issues from Multiple Perspectives
- Develop Life Skills

The Goals for Student Success shall be reviewed annually by the Board to ensure that they reflect current and future needs and values. Upon review, the Goals for Student Success of the College shall be revised or affirmed at the regular Board of Trustees meeting in April of each calendar year.

The College President shall ensure that the Goals for Student Success are published in the catalog, on the College website, and other appropriate venues.
