

STRATEGIC PLAN

The administration of the College annually revises the Strategic Plan to reflect the strategic direction of the College. This plan aligns the decision making, resource allocation, and communication of direction to the College and other stakeholders.

The Board reviews and adopts the Strategic Plan annually. This plan is an evergreen plan and reflects the accomplishments and planned strategies to meet the College's Mission and Vision Statements. The dates of the plan roll forward with each annual adoption.

The Strategic Plan of the College shall be reviewed annually by the Board to ensure that it reflects current and future needs and values. Upon review, the Strategic Plan shall be revised or affirmed at the regular Board of Trustees meeting in October of each calendar year.

The College President shall ensure that the Strategic Plan is published on the College website and other appropriate venues.
