* Transcripts must be sent directly to Western from the institution the student was attending. If the seal of the envelope is broken, the transcript is considered unofficial and will not be accepted. Once a student has submitted official transcripts from another school, they become the property of WWCC and original transcripts or copies will not be returned to the student. This applies even if the student does not enroll. Copies are not made for third parties.

** Be sure to request an official college transcript for any high school concurrent and dual enrollment credits.

*** The FAFSA is used to determine eligibility for students interested in Federal Pell Grants, Supplemental Educational Opportunity Grants (SEOG), Leveraging Educational Assistance Partnership Program (LEAPP) grants, student loans, and Federal Work Study.
