*Contact us whenever you have questions or concerns.*
Welcome to Western Wyoming Community College. For many of you it will be your home for much of the next two years. For all of you it will be a place for personal and intellectual growth. Whether you take one class, a few classes, or an entire program, you will grow in competence and confidence. Learning and growth are inextricably intertwined.

As you attend Western Wyoming Community College, keep in mind that an education is more than attending classes and earning credits. Attend cultural events such as plays, concerts, and exhibits. Participate in activities such as the student newspaper, radio station, Associated Student Government, sponsored clubs, intramurals, and dances. Attend intercollegiate athletic events. Listen to the guest speakers who make presentations on campus. Do these things and your college experience will be greatly enhanced.

The faculty and staff of Western Wyoming Community College want your experience at the College to be productive and memorable. We neither can nor want to give you an education. It is your responsibility to earn your education by attending your classes, completing your homework assignments, and preparing for your exams. It is our responsibility to provide support when you need it.

Please remember that even though it is the responsibility of the faculty and staff to assist you in meeting your educational goals, it is difficult for us to do so unless you help us identify your needs. Get to know at least a few of us and let us help you when you encounter problems. If you have questions or concerns, ask for assistance. The faculty and staff at the College want to help you solve any problems you encounter as you prepare for your future.

Again, welcome to our campus and thank you for choosing Western.

Sincerely,

霖 Bogg
President
Western Wyoming Community College

Welcome to the Western Wyoming Community College 2007-2008 academic year. We are thrilled that you have chosen us as the place you will continue your education and hope that you will have a fulfilling year. We are proud of the diversity of our student population. You will meet and work with students from many other states and countries, different ethnic and religious backgrounds, and different age groups. Take advantage of all that you can learn from people who come from different cultures and experiences.

Western has established goals for student success that we hope will provide you a strong lifetime foundation. We do not want you to simply learn subject-area content, although that is extremely important. We want you to develop communication, research and coping skills that will help you to be an outstanding contributor in your job and society as you move through your life.

You are here to learn and achieve your academic goals. We also hope that you will take full advantage of the educational opportunities that are available outside the classroom. Join a special interest club or become a student government leader. Practice your athletic skills in our intramural sports—everything from football to pool. Attend lectures, concerts, and theatrical events. Get a job working for the faculty in your major. In other words, get involved and make the most of your time with us. Should you experience problems while you are here, remember that there are many services to assist students. We have a counseling center, peer tutoring, childcare, and many other support entities on campus. Most of our services are free to you.

Enjoy your year. Come in and introduce yourself and tell me how you are doing. I am always available if you are having problems or have questions you aren’t sure who to ask.

Best Wishes,

### College Terms You Should Know

**Academic Alert:** Entering students with less than a 2.00 from high school or a previous college and current students who achieve less than a 2.00 are placed in this status. Various measures are utilized to help you address whatever problems are impacting academic success.

**Accreditation:** Approval by an educational or professional organization stating that the college meets the standards determined by this group. Each section of the country has its own accrediting organization. This accreditation helps to facilitate the process of credit transfer. WWCC is accredited by the Higher Learning Commission of North Central.

**Advisor:** A member of the teaching faculty who advises you on course selections and curriculum concerns and can serve as a resource for career and personal concerns.

**Assessment:** Required before you can graduate. Can be completed through assessment day or a portfolio capstone class.

**Course Load:** The number of credit hours you are scheduled to take in a given semester. This is usually 12-18 semester hours for a full-time student. Students should be careful not to take too many hours in any given semester, particularly the first one.

**Credit Hours:** A credit is a certification given for the successful completion of academic work. Usually one lecture period per week for one semester represents an hour of academic work; thus the average three credit hour course will meet for three hours a week all semester. A lab class generally meets for two hours per week per credit hour. Overall, you need a minimum of 64 credit hours in order to graduate from WWCC. See the course catalog for details on types of classes and credit attached.

**Degree:** A college diploma that indicates the amount and type of study you have accomplished. Students are encouraged to apply for their degree even when they are transferring so that they can show official documentation of midpoint completion. Many universities also handle the evaluation of transfer credit much differently for those who have achieved an associate degree.

**Elective:** A course that the student selects to fulfill credit hours required for graduation but which does not meet any specific general education or major requirement.

**Financial Aid, Grant:** This is usually an outright "gift" that is not repayable. However, it is usually given to fulfill need, not to reward excellence. Students must maintain certain standards to achieve and maintain these grants.

</table>
**Financial Aid, Scholarship:** An outright gift that is not repayable, and usually signifies academic excellence. This can also be used to signify athletic, theatre, musical and other kinds of excellence.

**Financial Aid, Loan:** This is not “gift” money. Students who take out loans should consider the long term impact of paying back these monies. Loans should be kept to a minimum.

**Honors Program:** A program designed to encourage superior students to engage in more challenging course work and to take advantage of special field trip opportunities. Students who succeed in meeting the stringent requirements of the honors program will receive honors program graduate designation.

**Matriculation:** The process whereby you are accepted, pay fees and enroll in your first classes.

**Placement Test (COMPASS):** Assessments designed to determine your level of achievement in math, reading, and English. Designed to help you select the most appropriate starting place for your level of preparation.

**Prerequisite:** A requirement which must be met before a certain course can be taken.

**Probation:** Students who have been on academic alert and who do not achieve a minimum 2.00 (“C”) average are placed in this status. Students must then achieve the appropriate academic level or face suspension.

**Suspension:** The student has had three semesters of poor academic performance and must “sit out” for at least one semester. Designed to help the student reassess goals and motivation.

**Transcript:** The official record of your academic performance from the time you enter WWCC until you exit. All coursework taken is reflected on your record.

**Tuition & Required Fees:** The charge you pay to attend WWCC each semester; assessed at a flat rate for full-time students and per credit hour for part-time students.
Western Wyoming Community College has identified 5 essential learning goals or abilities that will help you adapt to the changing demands of your careers. You will have opportunities in each of WWCC’s courses and in activities outside the classroom to strengthen these skills. In your last semester, we will assess how well you’ve mastered these skills:

- **Communicate Competently**
- **Retrieve Information**
- **See Issues From Multiple Perspectives**
- **Solve Problems**
- **Develop Life Skills**

**Communicate Competently**

To communicate competently requires that you express your written and oral ideas clearly and effectively, as well as receiving ideas through attentive listening, reading, and interpreting of new ideas.

Although speaking, writing, reading, and listening are the primary modes of communication, computer skills, interpersonal communication skills, group communication skills, and leadership skills are also essential to your success. Expressing yourself through the arts—music, dance, theater—is also important.

**Retrieve Information**

To retrieve information is essential because the amount of knowledge in all disciplines is exploding and changing. You must know how and where to locate the latest accurate information to solve problems in your professional and personal lives. Using the library’s resources, finding accurate information on the Internet, reading maps, schematics, and catalogs, searching electronic databases, identifying experts are all means of retrieving information. Finding information on the Internet, for example, is easy but finding accurate and valid information is a more difficult challenge.

**See Issues From Multiple Perspectives**

The USA nor Wyoming is no longer isolated. Seeing issues from multiple perspectives, therefore, is essential. Our culture and economy continues to be more multi-ethnic and diverse each day. Being aware of the diverse views of work, people, and life within a political, historical, and social context will allow you to make more careful decisions. Words and actions have different meanings to different groups of people. To succeed, therefore, you must become more aware of these varied perspectives to avoid misunderstandings and miscommunication. You will be exposed to multiple perspectives in and out of the classroom at WWCC.
Solve Problems

To solve problems means that you can apply specific methods within various contexts and disciplines. You must be able to identify and clearly define the problem. A group may not agree what the problem is; each may have his/her own perspective on what IS the problem. Once defined, you must be able to retrieve information or gather the necessary data, and then analyze and interpret quantitative and qualitative, subjective and objective data. To gather, sort, and organize information and then draw conclusions are problem-solving challenges you will have in and out of the classroom.

Develop Life Skills

College life at WWCC will challenge you to strengthen your “life skills”. You will have to decide how to balance class work, recreation, work, and family. You will have to interact with people with different views and approaches. The College will provide opportunities for you to strengthen yourself mentally, physically, culturally, and socially. Ultimately the responsibility, the decisions, and the consequences lie with you.
**Academic Advising:**

**A Partnership**

Advising is more than filling out a schedule. It is a partnership between you and your advisor with the end goal being a college certificate or degree. This is YOUR college experience. Advisors can provide valuable assistance but decisions are YOURS.

**Your advisor will provide accurate information on:**

1. Policies and program requirements
2. Academic planning
3. Interpreting WWCC rules and regulations
4. Your academic progress
5. Referrals to other college resources

and provide open, positive and continuous contact with you.

You are ultimately responsible for your decisions and must gather information through the catalog, class schedule and other sources.

Great spirits have always encountered violent opposition from mediocre minds. **Albert Einstein**
Advising: continued

**Things You Should Do:**

1. Keep your advising appointments.

2. Come prepared for advising
   a. Think about your interests, abilities, and needs
   b. Prepare a tentative schedule
   c. Let your advisor know your academic plans and/or doubts
   d. SPEAK UP!!! Your advisor cannot read your mind – if you aren’t interested in a particular class, don’t be afraid to say so.

3. Know deadlines for registering, drop/add, final dates for withdrawing, tuition payments, advising dates, applying for graduation, etc.

4. Visit your advisor regularly – not just during registration times. Contact your advisor for academic help.

5. Read your midterm grade report – seek help for D and F grades from your advisor, instructor, the Peer Tutor Center, and Smartthinking

6. Read the first few pages of your class schedule each semester. This is the best source for new rules and regulations about tuition and fees and deadlines.

7. Become familiar with the WWCC catalog – it will answer most questions about academic requirements and regulations. Ask your advisor any questions!

*Advising is more than filling out a schedule!*
Helpful Hints for Time Management:

1. Keep a log to see where time is going.

2. Make a list of fixed commitments and flexible commitments.

3. Assign priorities.

4. Learn to schedule. Use this planner to jot down commitments, due dates for assignments, tests, work and social activities.

5. Know your peak times.

6. Control interruptions.

8. Reward yourself!
Academic Policies

Compliance and Regulations
“Non Satis Non Scire” (Not to know is not enough)

You are responsible for having and understanding the information in this Handbook, the College Catalog, housing, financial aid and departmental handbooks, individual semester class schedules, and other important reference materials. Compliance with regulations is expected of each student.

The Catalog
The College Catalog is an important tool for you. It is basically your contract with us and ours with you. You should retain the catalog you receive when you start throughout your time with us as well as keep it to help you with any transfer issues you might have after you leave Western.

Check out the academic policies section of the catalog if you have questions about
- Academic Standing
- Course Loads
- Getting Registered and Dropping and Adding Classes
- Withdrawing from the College
- Final Exams
- Grading
- Student Records
- Honor Rolls and other honors

Class Attendance and Your Grade
To succeed, WWCC students are expected to attend all classes in which they enroll. Quite simply, those students who attend regularly do better. Therefore, many instructors have attendance policies that are explained in their course syllabus.

Of course, there may be times when you have to miss a class. Please realize, however, that every absence may not be excused and that an instructor may drop you from a course for excessive absences. If you must miss a class, you should arrange with your instructor to make up the work missed during any excused absences.
During the semester, if you discover that you must miss a number of consecutive classes because of illness or an emergency, please contact Registration and Records (382-1637) and that office will notify your instructors regarding your absence.

**Bad Weather**

Bad weather may cause classes to be cancelled. The President of the College may cancel all classes. Individual classes may be cancelled if bad weather prevents an instructor from arriving on-campus. Students may also, at times, have to miss a class because of the weather. The student is responsible for contacting the instructor and making arrangements to complete any work that is missed. When all classes are cancelled, announcements will be made on local radio stations.

**Military Call-Up**

Western Wyoming Community College, in recognition of its responsibilities to its students who are National Guard members or reservists in the U.S. Armed Forces, will adhere to appropriate national and state statutes, which pertain to the mobilization of these citizen soldiers. It is the intention of WWCC that reasonable efforts be made to accommodate students so as to minimize the disruption of their education while fulfilling their military obligations. When a student is placed on an emergency mobilization status, and/or when a mobilization is anticipated to exceed 15 calendar days, the student or his/her designee, must present an official copy of his/her activation orders to the Registrar as soon as possible after receipt of the orders. The College will provide accommodations that are more liberal and individualized than normal operating policies including consideration of full tuition refunds, withdrawal after established deadlines and release from financial aid penalties.

**Student Completion and Transfer**

Fifty percent of WWCC degree seeking students complete their degrees within three years of their start. Of that group, 64 percent transfer immediately after graduation.
Student Rights & Responsibilities

Students Right of Due Process

The College assures students the right to due process. Students have a right to a hearing when they are suspended or dismissed from the College, when they cannot resolve an academic grievance with an instructor, or when they have had unresolved problems with a service entity on-campus. See College Policy 5430A for more detail (available on the Internet).

Cheating & Plagiarism

It is assumed that all Western Wyoming Community College students understand the terms ‘cheating’ and ‘plagiarism’. At the discretion of the instructor involved, the discipline for cheating and plagiarism in any course may range from “F” for the assignment to dismissal from the course with a grade of “F”.

Because of the nature of certain specialized programs (i.e., health science students deal with the safety and well-being of hospital patients), cheating and plagiarism may result in not only an ‘F’ in the course, but immediate dismissal from the program. Specific procedures are addressed in the handbook of each of these specialized areas.

Students who feel they have been unfairly dismissed by an instructor may appeal the decision through the College’s due process procedures.

Student Directory (releasing information on you)

Western has identified the following information as directory information, meaning we will release it if the student has granted permission on the application for admission or registration information sheet. We do not publish a directory, so every situation is handled case-by-case based on the privacy code entered on the administrative computer system.

Standards of Student Conduct

Students are subject to all federal, state, and local laws, as well as the College’s policies, procedures, rules and regulations. Students in violation of these regulations may be subject to disciplinary action up to and including suspension or dismissal as well as possible prosecution under federal, state and local laws. The College has regulations concerning student conduct at College sponsored activities, hazing of other students, use of College property and fire-fighting equipment, smoking, physical or verbal assault, personal harassment, and the use of explosives, fireworks, or firearms. The College also has specific regulations related to fire fighting equipment and fire alarms. See the Student Conduct Policy on the website under Student Policies.

College Sponsored Activities

Students attending College sponsored activities are under the jurisdiction of the College and are responsible for their conduct at these activities. A student’s guests while on campus must also abide by college regulations. Guests are the responsibility of the student or host’s who invite them. College sponsored activities, on or off campus, include but are not limited to conferences, retreats, field trips, social gatherings, and athletic events.

Hazing

Students may not haze other students. Hazing refers to any act which may cause bodily danger or physical harm to any student or other person or any act that injures, degrades, or disgraces a fellow student or other person.

College Property

Students who deface or destroy College property are liable for the cost of repair or replacement of said property.

Fire-Fighting Equipment

Anyone who activates a false alarm or tampers with fire-fighting equipment is subject to disciplinary action as well as prosecution under state and local laws.
Smoking
Smoking is permitted only in designated areas.

Assault
The College does not tolerate any physical or verbal abuse or assault of students or College employees.

Personal Harassment
Personal harassment is defined as a purposeful action by any student that is not classified as assault, sexual harassment or sexual assault, but interferes with the ability of another student to participate freely in the educational process, or interferes with the ability of a College employee to freely conduct the duties of his or her position, or interferes with any student or employee in their participation in any other College-related activity. Personal harassment will not be tolerated and will result in disciplinary action.

Explosives: Fireworks or Firearms
The College does not allow explosives, fireworks, or firearms on property that it owns or leases. Anyone involved in any manner with starting a fire, exploding fireworks or chemicals, or possessing or discharging a weapon on property owned or leased by the College is subject to disciplinary action.

Destruction of College Property
Any student who destroys or defaces College property is liable for the cost of repair and replacement and is subject to disciplinary action including suspension, eviction, or dismissal.

Advertising
The College cannot be used as an agency for the distribution of advertising materials. Free materials may be accepted by the College if such materials are sought by the College and fulfill a legitimate purpose of the College program. College clubs and organizations may advertise events throughout the campus. A maximum of 25 posters may be put up for any one event. Any posters and other materials must be approved and stamped by the Information Desk before they can be posted. Unstamped material is removed from the walls and bulletin boards.

You cannot plough a field by turning it over in your mind.

Demonstrations

The College supports the position of the Joint Statement of Rights and Freedoms of Students, AAUP, 1967, which reads: “Students and student organizations should be free to examine and to discuss all questions of interest to them and to express opinions publicly and privately. They should always be free to support causes by orderly means which do not disrupt the regular and essential operation of the institution. At the same time, it should be made clear to the academic and larger community that in their public expressions or demonstrations, students or student organizations speak only for themselves.”

Solicitation and Salespersons

The College does not permit outside profit-making organizations to use College facilities for the purpose of soliciting funds from students or employees. Salespersons are not permitted to sell to individuals on campus unless specifically invited to a student’s own campus housing residence. Recruitment of any kind on-campus must be authorized and cleared by the office of the Vice President for Student Success Services.

Alcoholic Beverages and Illegal Drugs

The College prohibits students from manufacturing, using, possessing, distributing, or selling alcoholic or malt beverages or illicit drugs at College-sponsored or supervised activities or on property it owns or leases. Students violating this policy are subject to disciplinary action and/or criminal prosecution.

Pursuant to the requirements of the Drug-Free Schools and Communities Act Amendments of 1989, the College publishes and distributes annually on the College Internet and Intranet and in written format, the following information:

- The standards of conduct that prohibit the unlawful manufacture, distribution, dispensation, possession, or use of illicit drugs (controlled substances) and alcohol on the WWCC campus or as a part of any Western-sponsored activity;
- A description of local, state, and federal sanction:
- A description of the health risks associated with the use of illicit drugs and the abuse of alcohol;
- A description of available counseling, treatment, or rehabilitation or re-entry programs;
- A statement specifying the disciplinary actions taken by WWCC which may include termination of employment, expulsion from the College or referral for persecution or mandatory participation in a rehabilitation program.
The College will review our program biennially to determine effectiveness, to insure that disciplinary sanctions are enforced and to make changes as needed.

Upon request by the Secretary of the U.S. Department of Education, the College has made available personnel records and other information as necessary for a program review by the Secretary.

A copy of the entire policy is on the WWCC Internet or may be obtained by contacting the Vice President for Student Success Services.

Social Activities Regulations
Students attending College social functions are under the jurisdiction of the College and must assume individual responsibility for their conduct. All College activities must be scheduled with and cleared through the Office of Student Activities. Guests will be expected to abide by all College regulations. Guests of a student will be the responsibility of the student. WWCC students attending or participating in conferences, retreats, or field trips are official representatives of the College and shall maintain behavior which will be a credit to the College. Students shall be responsible for any property damage incurred by them during any function. No student or group of students shall engage in hazing. Hazing refers to any pastime or amusement which may cause bodily danger or physical harm to any students or other person. Nor shall any student or group of students commit any act that injures or degrades any fellow student or person attending the institution.

Concerns Over Grades or Other Academic Issues (Academic Grievances – Policy 5430B)
If you have concerns or complaints about instructional matters, the College has a policy to provide a fair and workable process to resolve the matters. Typically, academic grievances are the conflicts that occasionally arise between students and faculty over grading in a course, but may be over other academic issues.

If you have a disagreement over a grade, here is the procedure you should follow:
1. If possible, discuss the problem with the instructor. If you cannot resolve the problem or if you feel there is a communication barrier, you should meet with the appropriate Division Chair. You can ask the Student Learning office (Room 1351) who the appropriate chair is.
2. Meet with the Chair and discuss the problem. The Chair will attempt to resolve the problem informally by adding another perspective, perhaps by offering an alternative solution, or by setting up a meeting with all parties.

Final Exam Schedule • Spring 2008
May. 9............ Friday............8-5 p.m.
May. 10.......... Saturday .........8-5 p.m.
May. 12.......... Monday .........8-5 p.m.
May. 13.......... Tuesday ........8-12 p.m.

There are occasional overlaps where two classes during a time block are scheduled for an exam at the same time. The instructor(s) in question will decide if they will move to the open block. At the instructor’s discretion, make-up tests may also be scheduled at this time.

Evening classes and classes not covered above have finals during the last regularly scheduled class meeting of the semester.

Make up exams should be arranged mutually between the student and the instructor.

Any student with more than two exams in one day may reschedule any exams over two. The student must work with all instructors involved to arrange a mutually agreeable schedule for when the exams will be rescheduled. All exams must be completed during the final exam period.

As a matter of College policy, there should be no early exams.

Grades may be checked on WebAdvisor (www.wwcc.wy.edu)
3. If the Chair cannot resolve the disagreement, you may ask the Vice President for Student Learning (Room 1351) to assist in the process. He will meet with all parties and attempt to resolve the grievance.

4. The final step is the Academic Grievance Committee. If efforts at the Vice President’s level fail to resolve the grievance, you may choose to ask the Academic Grievance Committee to resolve your grievance.

Presentation of Grievances

If the student or instructor remains dissatisfied after meeting with the Vice President, either may appeal to the Academic Grievance Committee. The student must submit a written statement of his/her complaint to the Division Chair or Vice President no later than 45 calendar days after the end of the semester in which the grievance occurred. Students may not pursue grievances after this time limit.

Within fifteen days after meeting with the Vice President for Student Learning concerning the grievance, the student may present a written request for a hearing before the Academic Grievance Committee. In case of semester breaks occurring during this period, the break will not be included in the 15-day period. The request for a hearing will be presented to the Vice President for Student Learning who shall assemble the Academic Grievance Committee.

If the student or instructor feels there is a conflict of interest with a particular committee member, he/she may request in writing that the member in question be excused from the hearing. The Committee must act on such a request before the actual hearing date. In the event a student or faculty is excused or is absent from campus, he/she will be replaced by an alternate.

Once alternates are appointed, the Committee will meet within a week’s time to review the request to hear the grievance. It will either decline to hear the case, or will set a hearing date no later than two weeks hence. A date will be given to the student and instructor. Each will have one week to submit written statements to the Committee. Witnesses to be presented at the hearing will be listed in the written statement.

Committee Proceedings

The student and/or instructor may select one individual to represent them. Attorneys may not be used. (This is not a hearing requiring formal rules of evidence and other legal proceedings. It should be conducted as a process to resolve a dispute. There is no legal reason why attorneys should be present. Students who could not afford legal assistance could be discriminated against). All committee members must be present in order to conduct the hearing. A taped record of the actual hearing will be made. Decisions on the resolution of cases will be made by a majority vote of the Committee. Voting will be by secret ballot. The student and instructor will have the right to cross-examine any witnesses presented at the hearing.
Decisions of the Academic Grievance Committee

The Committee will present its decision within one week of the hearing. The decision will consist of a disposition of the grievance and a written rationale outlining the reasons for the Committee’s decision. The rationale will be prepared by the Committee Chairperson in consultation with the entire Committee and will include the important supporting and detracting factors in the case.

The rationale is presented to the student and instructor, Division Chairperson, and the Vice President for Student Learning. In the case of course grade changes, it will also be attached to a change of grade form completed and signed by the Chairperson of the Committee and filed with the Registrar’s Office. An official record of the grievance and tapes are to be kept in the Office of the Vice President for Student Learning.

Concerns Over Non-Academic Issues (Policy #5430C)

WWCC has a written procedure for handling non-academic student grievances. If a student feels that a disciplinary action taken against him/her is not fair, he/she may appeal to the Student Affairs Appeals Board.

The Student Affairs Appeals Board (SAAB) is constituted to insure that students are treated fairly according to the established procedures of due process. In all situations, procedural due process requires that the student be informed of the nature of the charges; that he or she be given fair opportunity to refute the charges; that the College not be arbitrary in its actions; and that there be provision for appeal of a decision. The SAAB serves to safeguard these rights and also strives to fairly and reasonably interpret various college policies relating to student contact.

The composition of the Student Affairs Appeals Board is as follows: one Residence Hall Association officer*; one Associated Student Government officer*; two students at large being appointed by ASG*; two faculty or professional staff, selected by the College Senate; one administrator, appointed by the President. (*At least one of these four positions should be filled by a minority student.)

The appeals board will be ad hoc in nature and will be convened by the Vice President for Student Success Services.

Appointments to the Board will be made annually at the beginning of the Fall semester. A chairperson and secretary will be selected from the original seven members at the first organized meeting. All committee members will have one vote.
Appeals Procedure

• The student will be contacted by the Vice President for Student Success Services at which time he/she will be informed verbally and in writing of the charges brought against him/her and will be given an opportunity to refute those charges.

• The Vice President for Student Success Services will review the charges and render a decision on an appropriate course of action. The student will be informed verbally and in writing of the Vice President’s decision.

• Should the student decide to appeal the decision, the appeal is to be submitted in writing. Vice President for Student Success Services will convene the Student Affairs Appeals Board after receipt of the official appeal.

• The Appeals Board will conduct a formal hearing of the charges and appeal. The student will have the opportunity to be heard by the Appeals Board and to present witnesses on his/her behalf. The student may select a member of the College community to assist him/her during the appeals hearing. Within 24 hours after the hearing, the Board will recommend one of the following three options: 1) sustain the Vice President’s decision; 2) sustain the student’s appeal; 3) recommend a compromise.

• Should the Vice President’s decision be upheld, the student may appeal his case to the President of the College. This avenue of appeal is also available to the Vice President. The President will render a decision.

• In the case of student suspension or dismissal, a further appeal may be made to the College Board of Trustees.

The only way of finding the limits of the possible is by going beyond them into the impossible.

**Student Services...**

We make every attempt to provide services that support your academic efforts.

**Learning Center**

WWCC offers a full range of services designed to help students succeed in their college-level courses, earn their GED, or improve their English language skills.

- In the **Learning Center (LC)**, students can set their own schedule as they brush up on skills in math, reading, and English grammar and writing in preparation for college classes. Instruction is available in a lab or classroom setting.
- GED test preparation classes and GED testing are available for students wanting to obtain a High School Equivalency Diploma.
- Students can enroll in transferable classes in College Vocabulary, Speed Reading, and College Studies.
- English to Speakers of Other Languages and citizenship preparation classes are available for non-native speakers and those interested in becoming a United States citizen.
- International students may enroll in non-native LC and classroom courses designed to improve reading, writing, and listening to facilitate academic success.
- Tutoring is available for most subjects through the Peer Tutor Center

**Student Development Center**

The services in the Student Development Center are designed to promote growth and change on a personal as well as academic level. The SDC staff views each student as a whole person who is continually developing through and beyond the college years. Therefore, the SDC staff strives to help equip students with the skills and attitudes conducive to a healthy and productive life.

The following services are available to all full-time and part-time students:

- Personal counseling
- Comprehensive career exploration services including career assessment and career advising
- Accommodations for students with documented disabilities
- Life coaching skills
- Job placement
- Internship experiences

Student Activities (Associated Student Government)

Part of the overall college experience is participation in extracurricular activities. A variety of events are sponsored by the Associated Student Government (ASG) each year for the education, enjoyment and personal relaxation of our student population. The type of events offered each year depend on the makeup of the student population as well as the personalities of the members of ASG. ASG has a great deal of control over which activities are scheduled each year. Some of the events which took place during the past years are raft trips down the Snake River, dances on a regular basis, annual faculty-student softball game, talent-no-talent nights, Monte Carlo Night, Campus Fest, Comedy Night, speakers and concerts.

Students are also active in the governance of the institution. Most major College committees have a student representative and student input is solicited in many major policy decisions. ASG is much more than simply a social organization. Active caring students are needed to make ASG a successful governing body.

ASG has a budget of approximately $38,000 each year to fulfill their purpose. ASG has allocated monies for speakers on-campus, for drama and journalism programs, for the purchase of checkout recreational equipment, for leadership training programs, and for a variety of social and cultural events.
T’was the Night Before Finals
Author unknown

T’was the night before finals,
And all through the college,
The students were praying
For last minute knowledge.

Most were quite sleepy,
But none touched their beds,
While visions of essays
Danced in their heads.

Out in the taverns,
A few were still drinking,
And hoping that liquor
Would get their brains thinking.

In my own apartment,
I had been pacing,
Dreading all those exams
I soon would be facing.

My roommate was speechless,
His nose in his books,
And my comments to him
Drew unfriendly looks.

I drained all the coffee,
And brewed a new pot,
No longer caring
That my nerves were shot.

I stared at my notes,
But my thoughts were all muddy,
My eyes went a’blur,
I just couldn’t study.

“Some pizza might help,”
I said with a shiver,
But each place I called
Refused to deliver.

I’d pretty much concluded
Life is unfair and cruel,
Since our futures all depend
On grades made in school.

When all of a sudden,
Our door opened wide,
And Patron Saint Put-It-Off
Ambled inside.

Her spirit was careless,
Her manner was mellow,
She looked at the mess
And started to bellow:

“Why should us students
Make such a fuss,
About what those teachers
Toss out to us?”

“On Cliff Notes! On Crib Notes!
On Last Year’s Exams!
On Wingit and Slingit,
And Last Minute Crams!”

Her message delivered,
She vanished from sight,
But we heard her laughing
Outside in the night.

“Your teachers won’t flunk you,
So just do your best.
Happy Finals to All,
And to All, a good test.”

Student Organizations

To be considered an official student organization on-campus, a group should fulfill the following requirements as outlined by ASG (the Associated Student Government) of WWCC:

1. Submit a constitution to ASG.
2. Submit a list of officers and membership.
3. Submit the name of a faculty or staff advisor.

The benefits of being a chartered organization under ASG are two fold: 1) the organization has access to College facilities and equipment and 2) the organization has available $200/semester for seed money.

Clubs which are active each semester are:

Residence Hall Association: All housing occupants are eligible for membership. It gives hall occupants an opportunity to play an active role in governing their living situation.

Sigma Xi: Chapter of Phi Theta Kappa, a national honorary scholastic society. Membership is based upon those who complete a minimum of 12 hours with a 3.80 cumulative GPA and opt to join prior to established deadlines each semester.

Other clubs:

- Assoc. of Non-Traditional Students
- Baptists Collegiate Ministries
- Baseball Club
- Catholics on Campus
- Computer Club
- Creative Minds (Art)
- Delta Psi Omega (Theatre)
- Desert Voice Environmental Club
- Fellowship of Christian Athletes
- International Students Organization
  (Students Without Borders)
- Instrumentation Society of America
- Kampus Entertainment Group
- LDSSA
- Martial Arts Club
- Nurses Organization
- Omega Radio
- Pep Club
- Pre-Dental Club
- Quilter’s Thread
- Science Experimentation Club

Intramural Sports
WWCC has a full intramural program which includes volleyball, basketball, flag football, tennis, game room activities, swimming pool activities, and other sports upon demand. Details on these activities are available from the Intramural Office. In order to be eligible to participate in intramurals, a student must be enrolled in at least one credit class at WWCC or be a member of the staff. The College also has bicycles and other recreational gear available for check out.

We Need You
Every student who is taking at least one credit course is a member of the Associated Students of Western Wyoming Community College during the semester(s) of enrollment. The purpose of ASG is to:

- Provide meaningful educational, vocational, cultural, social, and service activities for students.
- Coordinate ASG sponsored student activities.
- Provide communication and opportunities for interaction between the students and administration and faculty as well as the community.
- Represent students on any issues arising in the academic community wherein student interest is involved.
- Provide monetary support for student activities through a student activity fee levied by the Board of Trustees of Western Wyoming Community College.

Activity ID Card...
An activity card is issued at the time of registration to each credit student. This card is good for the Fall, Spring and Summer semesters, and gives all credit students the following privileges:

- Free attendance at College athletic events (regular season).
- Attendance at ASG-sponsored activities and functions.
- Equipment checkout and use of the game room.
- Certain library and other use privileges.
- Use of the swimming pool.
- Meal Plan
- Residence Hall Access

Children’s Center

For the convenience of our students with children, WWCC has a Children’s Center. The Rock Springs Center is located adjacent to the pool, gym and tennis courts. Childcare is available to any parents taking classes at WWCC part-time or full-time, credit or non-credit. There are four classes in the Children’s Center: Bunnies (2 yrs. old and toilet-trained); Bears (3 yrs. old by Sept. 15); Turtles (4 yrs. old by Sept. 15); and Kindergarten (5 yrs. old by Sept. 15). A semester fee is charged for each child enrolled. Snacks are provided. Children need to bring their own lunches if they are in the Center at noon. The Children’s Center also provides observation and field experiences for students enrolled in education, psychology, nursing, and humanities classes. Fall and Spring semesters the Center is open Monday through Friday from 7:45 a.m. to 5:00 p.m. During the Summer semester the Children’s Center is open Monday through Thursday from 7:30 a.m. to 5:00 p.m. and Friday 7:30 to noon (First & Second grade children may attend the Center during the Summer semester.)

Bookstore

The bookstore is located on the first floor. Bookstore hours are from 7:50 a.m. - 7:30 p.m. on Monday and 7:50 a.m.–5 p.m. on Tuesday – Friday. During the first week of each semester, store hours are extended from 7:50 a.m.–7:30 p.m. on Monday – Thursday. When books are purchased, you will be asked to keep your cash register receipt. This is your proof of purchase. Should a book need to be returned, bring it back to the bookstore before the last return date published on the return policy sheet attached to your cash register receipt. You MUST have your cash register receipt and the book must be absolutely clean and in resalable condition. Book buybacks are held once a semester, usually three days during the final exam week. Posters will be placed throughout the campus informing students of the actual dates.

Hours vary during the summer, semester breaks and holidays. Open additional hours during finals.

The library maintains and develops collections of information sources for the use of students, faculty and staff, and community members. These collections include over 60,000 books, about 175 current periodical subscriptions with extensive holdings of past issues, more than 3,000 audiovisual items, and various online databases and resources including almost 600 E Books.

The library was designated as a selective federal depository in 1969 to serve the government information needs of the citizens of Wyoming. The depository collection contains over 50,000 publications.

WYLDCA T (Wyoming Libraries Database Catalog on the Web) offers bibliographic access to all materials in the library’s collections. The library staff provides research assistance and library use instruction. Hay Library participates in state and national interlibrary loan networks for obtaining books and other items not available locally.

All residents of Wyoming may check out library materials.

There are various areas for reading and studying in the library. Three group study rooms contain televisions and videocassette or DVD players. Two photocopy machines and a fax machine are available.

The library sponsors author readings and other scholarly and cultural events every semester.

Application for Graduation

All students applying for graduation should submit an application for graduation with Registration & Records. The purpose of this procedure is to allow this office to check whether or not the student has satisfied all College requirements for graduation. Candidates have the option of meeting either the degree requirements listed in the catalog under which they first registered – as long as there has been continuous attendance – or as listed in the current catalog.

Applications may be made online via Webadvisor. A program evaluation (also degree audit) must be reviewed with your advisor, signed and submitted with your application.

Financial Aid

There are a variety of financial aid options available to help students meet educational expenses and many WWCC students receive some type of aid. Generally, there are two categories of aid available:

Aid Based on Assessed Need

The Free Application For Federal Student Aid (FAFSA) form must be filed in order to determine eligibility for this type of aid. It can be a lengthy process and students should plan accordingly.

Aid Based on Academic Performance or Special Ability

Usually funded by WWCC, the WWC Foundation, State of Wyoming or a combination of these sources.

April 1

Financial Aid Priority Date

WWCC has a priority deadline of April 1 for the FAFSA and Civic grant applications for the following academic year which begins late in August. Students who have a complete financial aid file prior to the deadline get the first opportunity to receive available monies.

Two General Sources of Aid

Federal Aid Programs

Grants such as Federal Pell, ACG, SEOG, Federal Stafford subsidized and unsubsidized loans, PLUS loans, and Federal work study.

Institutional Aid

Academic scholarships; activity and ability grants; student employment programs; and WWC Foundation civic grants.

In most cases, students receive a combination of aid to assist in meeting financial need. Once the aid is awarded, students must meet the financial aid standards required for the type of aid received. Failure to meet standards may result in the suspension of aid eligibility and/or repayment of funds received. The standards can be found on page 32.

Veteran’s benefits can be utilized at WWCC. Generally, eligible veterans can use this program if they are enrolled in an approved program. Monthly benefits are determined according to the number of hours in which the student is enrolled. Special applications are required by the VA and may be obtained from the Financial Aid Office.

The College Catalog offers a complete breakdown of various scholarships, grants, loans, and work study options. Applications and additional information are available from the Financial Aid Office or online at www.wwcc.wy.edu

Satisfactory Academic Progress Policy for Financial Aid Recipients

Students who receive financial assistance at Western Wyoming Community College through Federal, State or Institutional Programs are required to maintain satisfactory progress towards a degree objective. This requires the Financial Aid Office to make a determination whether applicants are eligible for financial assistance based on their prior academic record, whether or not they receive aid. These guidelines represent minimal standards. They do not necessarily coincide with the requirements students must fulfill to initially receive aid or the number of credits a student is expected to earn in order of complete a two-year degree in two years’ time. Students will be considered in good standing and eligible to receive financial assistance for WWCC if maintaining normal academic progress towards their degree as required by Federal and State regulations and the following policies and conditions. Students are only eligible to receive financial assistance for 150% of the number of credits required to receive a WWCC degree, regardless of whether any aid is received. At WWCC the limit for most programs is 96 credit hours.

Satisfactory completion of credits means a student has received a minimum grade of D or P. Grades of I (incomplete), F (failure), W (withdraw), are not acceptable in maintaining satisfactory progress. Repeat courses will be counted in attempted and completed credits. The Financial Aid Office will include a repeat course only once in a student’s aid package.

To remain eligible for federal aid, students must maintain a minimum 2.00 cumulative GPA. The minimum standards per semester for credits are outlined as follows:

<table>
<thead>
<tr>
<th>Status: Enrollment</th>
<th>Credits</th>
<th>Progress</th>
</tr>
</thead>
<tbody>
<tr>
<td>12+ credits</td>
<td>12 or more</td>
<td>Satisfactory</td>

</tr>
<tr>

</tr>
<tr>

</tr>
</tbody>
</table>

Probation is a warning that the student has not completed the minimum number of credits. Students who are on probation may still receive financial aid.

Financial aid recipients will be automatically placed on suspension status if they (1) withdraw from WWCC; (2) fail to satisfactorily complete a minimum of (6) credits hours or (3) fail to achieve satisfactory progress while on probationary status or (4) have a cumulative GPA below 2.0.

Flower of the month: Violet
Birthstone: Amethyst

Do not go where the path may lead, go instead where there is no path and leave a trail.

Ralph Waldo Emerson
Students on suspension may appeal in writing to the Financial Aid Office. It is the responsibility of the students to initiate the appeal.

Students whose suspension time has elapsed or who have successfully corrected the deficiency must notify the Financial Aid Director and submit grade transcripts for review. Reinstatement of aid will be subject to funds available at the time the completed file is reviewed.

Students who transfer to WWCC with satisfactory progress standard problems will need to appeal for probationary funding eligibility.

A non-degree student is, by definition, not considered to be in a degree program and is therefore, not eligible for Financial Aid.

Changes to any of the specific provisions regarding this policy may be made at any time, without publication, due to changes in Federal, State and/or Institutional Regulations or Policies. Questions should be addressed to the WWCC Financial Aid Office.

**NOTE: Many scholarship recipients are required to maintain higher standards than outlined in this policy. Students unable to maintain minimum acceptable standards should contact the Financial Aid Office.**

### Advisement

All financial aid recipients are encouraged to use an advisor in preparing class schedules each semester. Inappropriate course selection is not considered a mitigating circumstance in failing to maintain academic progress.

### Appeals

Students who wish to appeal the loss of aid based on extenuating circumstances must do so in writing. They must also submit written documentation as verification of the circumstance. Grades, choice of major, previous academic history and other relevant data may be collected from advisors, instructors, counselors, etc., if it impacts the situation. The Financial Aid Review Board serves as a second level of appeal in circumstances warranting special consideration. Students can meet with the Review Board only once during their academic career at WWCC.

### Audits

A student who audits a credit course may not use those hours to satisfy the number of enrolled hours. An audited course results in no academic credit earned.
Grades
Failing grades are computed in the earned GPA. Withdrawals initiated by the student or an instructor are processed as “W”s. Incompletes not changed to a letter grade the following semester become “F”s and are computed accordingly. Both withdrawals and incompletes impact on the total number of attempted and earned credit hours, and recipients who do not successfully complete the required number of credit hours are ineligible for continued funding. Courses for which the student receives an incomplete in one semester may not be used to meet the incremental progress requirement in any subsequent semester.

Non-Credit Courses
Recipients enrolling in a noncredit course for continuing education or community service may not use those classes to meet satisfactory progress. In addition, these classes and are not eligible for financial assistance.

Open Entry/Exit Courses
Aid recipients who enroll in this type of course are not excused from completing the required number of credits for which they are funded each semester.

Repeats
A student who elects to repeat a course may do so only once to satisfy academic progress guidelines and receive funding.

Total Withdrawal
A student who withdraws totally after being disbursed any aid may be required to repay these funds. In addition, Student loan borrowers must participate in an exit interview. Students earning all “F” grades may be required to repay Financial Aid funds.

Financial Aid Review Board
The WWCC Financial Aid Review Board is available to hear requests for special circumstance appeals which the Director of Financial Aid has denied or has referred to the Review Board. Students are required to appear in person before the Board and can do so only one time as a WWCC student.

There are five residence halls on the WWCC Campus. The five facilities can accommodate a maximum of 376 residents. Three of the facilities are a combination of self-contained apartments and suite units. The other two residence halls can house 166 students in a variety of housing options including double occupancy and single suite-cluster situations as well as private and semi-private rooms. All residents living in suite units (non-apartment units) and all freshmen students in apartment units MUST sign up for a 10-meal, 18-meal board or flex plan. Unless otherwise authorized by the College, a maximum of four people may live in a two-bedroom apartment and a maximum of two people may live in a one-bedroom apartment. Suites can be rented as singles upon request. All housing units are available to full-time students (12 hours or more) on a first-come first-serve basis. The apartments contain a stove and refrigerator so that students may do their own cooking. All non-apartment units have a microwave/refrigerator. The semi-private suites have their own private tub/shower bathroom facility. A $150 deposit must be submitted before a student will be assigned to housing. Coming for Fall 2008 - a new residence hall with 48 single rooms.

**WWCC has organized its housing program to accomplish the following:**

- Administer housing services that are beneficial to the student’s academic, physical, emotional, and social development.
- Personalize the institutional processes and agencies to assist students to increase their acquaintances and expand their knowledge of other persons or groups.
- Structure productive, secure, and pleasant environments.
- Disseminate knowledge and encourage growth in those areas of human development ordinarily not included in the formal curriculum.
- Provide, via staff personnel, more mature role model behaviors that are consistent with the objectives of higher education in a democratic society.

### Housing Security
The on-campus housing area prides itself in having the an excellent, state of the art, security system with a minimum of restrictions or inconvenience to the student resident. The well lit residence hall area is monitored by eleven trained RAs (resident assistants) as well as Protective Services personnel. With campus staff, RAs and Protective Services staff there is always assistance available for students. All residence halls doors are locked at 11:00 p.m., but residents may gain access after that time by using their access cards issued at check-in.

### On-Campus Meal Plans and Options
All apartments are equipped with stoves and refrigerators so students can do their own cooking. All students living in suite units and all freshman regardless of whether or not they live in apartments in the WWCC Residence Halls must purchase either a 10 or 18 meal plan contract.

#### 18-Meal Plan
*This is your most economical meal plan — 3 meals each weekday, 2 on Saturday and 1 on Sunday.*

Students who wish to transfer course credits earned at Western Wyoming Community College to four-year colleges, universities, and professional schools should have no difficulty if their credit meets the following standards: “C” or better grade or 1000 level or higher and not occupational coursework.

Transfer to the University of Wyoming

Students who plan to transfer from WWCC to the University of Wyoming should be aware of a number of things that make the process a simple matter:

1. Common Course Numbering - The University of Wyoming and all seven Wyoming Community Colleges have adopted a common course numbering system for equivalent courses. For example, a student can count on English 1010 having the same number and title at all schools.

2. Transfer Guide - Students may refer to the UW Transfer Guide to identify transfer course equivalents and how they fit into the University Studies requirements. Ask your advisor about this.

3. AA & AS degree transfer as completion for all UW General Education except the second college-level math class. However, it may also be completed at Western.

4. See page 61 of the WWCC catalog for more information

Transfer of Credits

Without a sense of urgency, desire loses its value. 
Jim Rohn
Articulation Agreements
WWCC has articulation transfer agreements with several institutions including:
- Black Hills State College
- Chadron State College
- Colorado State University
- Franklin University
- Idaho State University
- Regis University
- University of Northern Colorado
- University of Utah
- University of Wyoming
- Upper Iowa University
- Utah State University
- Weber State University

Ask about course-by-course and program transfer agreements with these colleges. Also visit Western’s web page for more information.

Guidelines for Transferring to a Four-Year College (these guidelines are not about HOW to transfer)

Annually thousands of college students change their attendance from one institution of higher learning to another. The first step is to decide where you wish to transfer. The steps below may help.

1. Decide Where You Want to Transfer
   - Rural or urban?
   - Small city, big city?
   - North, South, East, or West?
   - How far from home?

What Kind of College/University is Good for You?
   - Do you prefer a religious institution, private, or public?
   - Is the college accredited, and, if so, by whom?
   - Is the program or major of your choice offered?
   - How many students are enrolled?
   - How many are in your program?
   - Is there a graduate program available?
   - What are the admissions standards for transfer students?
   - Is there an application deadline?
   - Is it on the quarter or semester system?

There are occasional overlaps where two classes during a time block are scheduled for an exam at the same time. The instructor(s) in question will decide if they will move to the open block. At the instructor’s discretion, make-up tests may also be scheduled at this time.

Evening classes and classes not covered above have finals during the last regularly scheduled class meeting of the semester.

Make up exams should be arranged mutually between the student and the instructor.

Any student with more than two exams in one day may reschedule any exams over two. The student must work with all instructors involved to arrange a mutually agreeable schedule for when the exams will be rescheduled. All exams must be completed during the final exam period.

As a matter of College policy, there should be no early exams.

Grades may be checked on WebAdvisor (www.wwcc.wy.edu)

Narrow Your Choices and Apply

- Apply to the colleges you’re interested in
- Visit all that you can
- Take admission tests; complete the paperwork
- IF accepted to more than one college, notify ALL of the schools of your choice.

If you are considering UW or another university in the region, see the information below under “Transfer to UW” or “Transfer to Other Regional Colleges and Universities.”

2. Select WWCC Courses that Meet Requirements

You want to choose courses at WWCC which are required by the four-year school you plan to attend. Since each educational institution prescribes its own standards and its own prerequisites to transfer, you must first decide which school you intend to transfer to and which program within that college.

Then, read your program’s course requirements in the College’s catalog and discuss them with a faculty advisor at that college—if you can. Courses may have different names and numbers at different colleges so a catalog may not tell you all the needed information.

3. Transfer of Credits

Students should be aware that changes in majors and/or poor grades may result in lost credit upon transfer.
Getting Hands-on Experience in Your Career:

WWCC offers internship opportunities for credit that provide hands-on work experiences. Some experiences are on campus; some are in other businesses. The internship provides work experience in a profession. Visit the Student Development Center to learn more. Internship courses provide work experience usually in a transfer program, such as Exercise Science, Archaeology, Engineering, and Business. (AAS Degree opportunities include Auto Technology, Office Information Systems, or Industrial Maintenance.) Internships are coordinated each semester with Internship Coordinator or an instructor in the area. All have the course number of 2470 or check with your advisor for more information.

Careful Selection of Courses

A student planning to seek a Bachelor’s degree must choose courses at WWCC which are required by four-year schools for the student’s proposed major field of study. Since each educational institution prescribes its own standards and its own prerequisites to transfer, a transfer student should discuss his/her program with the faculty advisor. For example, students may apply unlimited hours of degree credit transferred from WWCC toward requirements for a University of Wyoming undergraduate degree; however, 70 is about all that can be used toward specific requirements. They require 48 hours of upper-division coursework.

Colleges operate on different calendars. If the college to which you are transferring operates on a different calendar from WWCC, the number of credits transferred may be affected:

• If you are transferring from a college on a quarter system to a college on the semester system, multiply the number of quarter hours earned by 2/3.
• If you are transferring from a college on the semester system to one on the quarter system, multiply the number of semester hours earned by 1 1/2.

Students should be aware that changes in majors and/or poor grades may result in lost credit upon transfer.

In the middle of difficulty lies opportunity.

The coverage limit is $1,500. Certain restrictions apply. Please see the Vice President for Student Success Services Office if you have questions about this policy.
Americans With Disabilities Act

Western Wyoming Community College is in compliance with all requirements set forth by the Americans with Disabilities Act (Public Law 101-336). To obtain employee services, contact the Vice President for Administrative Services in the Administrative Services Office, or by calling 382-1609. To obtain student services, contact the Disability Support Services Specialist in the Student Development Center, or by calling 382-1806. Individuals who believe they have been treated unfairly or unlawfully under the provisions of this Act should contact the College’s Vice President for Administrative Services, who serves as the ADA Compliance Coordinator.

Accessibility For Individuals With Disabilities

Western Wyoming Community College has met requirements of the Americans with Disabilities Act in acquisitions and development of equipment, programs and facilities to assist students with disabilities. On-campus adapted housing, modified computer workstations and various adaptive equipment are available to students with disabilities. Individuals who require specific accommodations should contact the Disability Support Services Specialist in the Student Development Center or call 382-1806.

Western Wyoming Community College is an Affirmative Action/Equal Opportunity institution and as such does not discriminate on the basis of race, color, national origin, sex, age, religion, handicap status, disabled veteran, or veteran of the Vietnam era in admission or access to, or treatment or employment in, its educational programs or activities. Inquiries concerning Title VI, Title IX and Section 504 may be referred to the Vice President for Administrative Services, WWCC Administrative Services Offices, P.O. Box 428, Rock Springs, WY 82902-0428, (307) 382-1609; or the Regional Director, Office for Civil Rights, Region VIII, Department of Education, Federal Office Building, 1244 Speer Blvd., Suite 310, Denver, CO 80204-3582, (303) 844-5695 or TDD (303) 844-3417; or Wyoming Department of Education, Office for Civil Rights, 2nd Floor Hathaway Building, Cheyenne, WY 82002, (307) 777-6218.

**Sexual Harassment of Students**

Sexual harassment is against the law and is prohibited by the College. Sexual harassment is defined as:

Sexual advances or requests for sexual favors accompanied by an offer of reward or a threat of reprisal, or sexually-directed remarks or other forms of communication which subject an individual or group to demeaning stereotypes or insult with the result that such communication creates an intimidating, hostile, or offensive environment.

If you believe you have been sexually-harassed, we encourage you to contact one of the College’s Complaint Advisors to confidentially discuss your options. See College Policy 5430G for more detail (available on the Internet).
Diversity is Transforming Our Nation
By the year 2000, the make-up of every 100 workers was:
- 10 immigrants
- 16 US born Hispanics, African Americans or other people of color
- 47 women (include 12 women of color)
- 32 US born white men

Your View
Take a look within by taking the quiz below and acknowledge that understanding diversity begins with understanding how you see yourself, your place in the world and your own uniqueness.

1. I wear my hair the way I do because __________.
2. In my family, children are expected to __________.
3. I often feel uncomfortable around people who are __________.
4. I am proud to be __________.
5. When I hear people speaking another language, I think __________.
6. If people must choose between work and family, they should __________.
7. I really feel like an outsider when __________.
8. The most important thing in life is __________.
9. My ethnic or cultural heritage is special because __________.
10. I’m often attracted to people who __________.

How do your answers above impact the way you make judgments about other people?

Appreciate Diversity
Consider the following questions:
- What is diversity?
- Why should I learn about diversity?
- What makes each person unique?

Biology
Ethnicity and culture
Family life
Beliefs
Geography
Experiences

Time Management for College Students

Have you ever wondered where the time went? Put off a project until the last minute and then had a crisis? Wanted to do something you couldn’t do because something else had to be done right away?

If your answer is yes, time management is important to you. It is important so you can:

• Achieve more--get the most out of your academic career.
• Have more free time--so you can participate in activities that are important to you.
• Lead a balanced life--enjoy work and plan.
• Meet deadlines--so you can be in control of your life!

How do you manage your time?

Circle Yes or No for the following statements:

Y  N 1. I think daily planning guides like this one are a waste of time.
Y  N 2. My academic goals are pretty clear to me.
Y  N 3. Leaving assignments until the last minute is a big problem for me.
Y  N 4. I organize my time very well.
Y  N 5. I wish I were more motivated.
Y  N 6. It’s easy for me to cut short visits with people who drop by while I’m studying.
Y  N 7. Visitors should feel free to see me whenever they want.
Y  N 8. I know which activities in my life are important to focus on and which aren’t.
Y  N 9. I’m a perfectionist in everything I do.
Y  N 10. I have enough time to pursue leisure activities.

Scoring:
Odd-numbered statements, 1 point for each YES
Even-numbered statements, 1 point for each NO

If your score is:
1-2 You’re probably on top of things but can still improve.
3-4 You’re treading water.
5-7 Managing your time well is a problem!
8-10 You’re on the verge of chaos! Get help!
