The student will have three days to add the course to their schedule through "Managing My Waitlist" in MyWestern or by calling Mustang Central. It is ultimately the responsibility of the student to know their position on any given waitlist.

Being on a waitlist does not complete the registration process. Students are not automatically enrolled when a seat opens. If you have decided against the wait listed course, please have your name deleted from the waitlist by using "Managing My Waitlist" in MyWestern or by calling Mustang Central at 382-1677.

Dropping Classes

Students must officially drop classes to avoid failing grades. See the full semester drop deadline on the academic calendar. Shorter duration courses have different drop dates. Students should be familiar with these dates. Refunds go into effect when the process is completed. Contact Mustang Central or the Green River Center for more information.

Sweetwater County BOCES pays for up to 6 credit hours in the Fall and Spring terms, and 3 credit hours in the Summer term, plus course fees, for approved high school juniors and seniors taking dual enrollment courses. Wyoming Community College Residency Guidelines

STUDENT CLASSIFICATION FOR WYOMING RESIDENT TUITION PURPOSES

Residence classification shall be initiated for each student at the time the application for admission is accepted. Students may request a review whenever they have not been in attendance for at least one semester.

Individuals who qualify as Wyoming Residents shall pay the in-state tuition rate, as established by the Wyoming Community College Commission. All other individuals shall pay the out-of-state or Western Undergraduate Exchange (WUE) tuition rates, as established by the Wyoming Community College Commission. For the purposes of determining whether a student qualifies for in-state or out of state tuition, the following guidelines apply:

A. Residing in Wyoming primarily as a student will not support a claim for resident status. The following students are considered Wyoming residents:

1. Individuals who are financial dependents or under the age of 24 with a parent, guardian or spouse who has lived in the State of Wyoming for 12 continuous months.
2. Graduates of a Wyoming high school.
3. Recipients of a high school equivalency in Wyoming who also qualify for a Hathaway Scholarship.
4. Active Wyoming National Guard members and U.S. Armed Forces members stationed in Wyoming, and their dependents.
5. Wyoming residents temporarily absent from the State due to military service, attendance at an educational institution, or other type of documented temporary absence.
6. Individuals who have been awarded resident tuition status at another Wyoming Community College or the University of Wyoming.
7. The spouse or financial dependent of an individual who is determined to be a Wyoming resident pursuant to these Guidelines.
8. A legal dependent under the age of 24 of a Wyoming community college graduate may be classified as a Wyoming resident for tuition purposes at any Wyoming community college.
9. Individuals with a permanent home in Wyoming. To determine if a permanent Wyoming home has been established, a variety of factors are considered. See full policy or Registrar for details.
10. An applicant for resident tuition who is a veteran or eligible individual, if the applicant enrolls at one of the Wyoming community colleges within three (3) years of his/her discharge and provides required evidence or documentation. See full policy or Registrar for details.

B. The following students are considered non-residents:

1. Individuals who do not qualify under Section A above; and
2. Individuals who are not U.S. citizens or permanent residents except as provided by Section A.2 or A.3 above.
3. Individuals holding a valid Nonimmigrant status in the following categories: F-1 and F-2, H-3 and H-4, J-1, K-1, and J-2, M-1 and M-2, Q-1, and R-2 visas except as provided by Section A.2 or A.3 above.

Students may appeal their classification as a resident or a non-resident by submitting an Application for Residency Reclassification to the Registrar. The student must submit the request and accompanying documentation on or before the first day of classes. A decision will be rendered within 20 days of the first day of classes. See full policy or Registrar for details. The Vice President of Student Success Service administers these Guidelines for each community college. Any questions or concerns about the residency policy should be addressed to the Registrar in Mustang Central.

Internet Courses

Internet courses are **NOT self-paced**. They will:

- Start on the first day of normal classes,
- Have regular deadlines,
- Require interaction with the instructor and fellow students.

To **SUCCEED** in an Internet class, you will:

- Need to be online a minimum of 3 days a week,

- Have strong time-management skills, computer skills, and self-motivation.

You **MUST**:

- Have access to the Internet and MS Word.
- Use the e-mail address provided to you by the college.
- Be comfortable with using a computer and MS Word. To brush up on your computer skills, take one of the non-credit online courses.

If you are new to online learning, please take the "Intro to Online Learning" HMDV 1025, offered in Spring, Summer, and Fall Semesters.

To begin your Internet class on the first day of the semester:

- Go to the college homepage westernwyoming.edu
- Choose Mustang Cruiser from the My WWCC tab.
- Login using the username and password provided to you by the college.
- Once logged in to Mustang Cruiser, click on the Blackboard tab located near the top of the page.
- You should see Welcome (your Name). If you do not see this and you are seeing a collage of photos, you have a pop-up blocker. Please enable your computer to allow pop-ups from this site and then you will see the Blackboard window.
- Click on the name of each of your online courses to enter the class.
