Waitlists

Students may be placed on a waitlist if a course is full. The student will typically have three days to add the course to their schedule through "Managing My Waitlist" in MyWestern or by calling Mustang Central. The waitlist add period will be shortened as the start of courses gets closer. Check your MyWestern email frequently. It is ultimately the responsibility of the student to know their position on any given waitlist.

Being on a waitlist does not complete the registration process. Students are not automatically enrolled when a seat opens. If you have decided against the waitlisted course, please have your name deleted from the waitlist by using "Managing My Waitlist" in MyWestern or by calling Mustang Central at 382-1677.

Dropping Classes

Students must officially drop courses, via MyWestern or Mustang Central, to avoid failing grades and/or responsibility for paying tuition and fees. It is the student's responsibility to be familiar with the deadline dates; please reference the drop deadlines (which vary by course duration) on the academic calendar. Refunds will only be effective after a drop of the course is completed. Contact Mustang Central or the Green River Center for more information. Please note: degree-seeking students will need to contact their advisor prior to dropping courses.

High School Students

WWCC offers tuition scholarships for qualified high school students. Sweetwater County BOCES pays for up to 10 credit hours in the Fall and Spring terms, and 3 credit hours in the Summer term, plus course fees, for approved high school juniors and seniors taking dual enrollment courses. Wyoming Community College Residency Guidelines

STUDENT CLASSIFICATION FOR WYOMING RESIDENT TUITION PURPOSES

Residence classification shall be initiated for each student at the time the application for admission is accepted. Students may request a review whenever they have not been in attendance for at least one semester.

Individuals who qualify as Wyoming Residents shall pay the in-state tuition rate, as established by the Wyoming Community College Commission. All other individuals shall pay the out-of-state or Western Undergraduate Exchange (WUE) tuition rates, as established by the Wyoming Community College Commission. For the purposes of determining whether a student qualifies for in-state or out of state tuition, the following guidelines apply:

A. Residing in Wyoming primarily as a student will not support a claim for resident status. The following students are considered Wyoming residents:

1. Individuals who are financial dependents or under the age of 24 with a parent, guardian or spouse who has lived in the State of Wyoming for 6 continuous months.
2. Graduates of a Wyoming high school.
3. Recipients of a high school equivalency in Wyoming who also qualify for a Hathaway Scholarship.
4. Active Wyoming National Guard members and U.S. Armed Forces members stationed in Wyoming, and their dependents.
5. Wyoming residents temporarily absent from the State due to military service, attendance at an educational institution, or other type of documented temporary absence.
6. Individuals who have been awarded resident tuition status at another Wyoming Community College or the University of Wyoming.
7. The spouse or financial dependent of an individual who is determined to be a Wyoming resident pursuant to these Guidelines.
8. A legal dependent under the age of 24 of a Wyoming community college graduate may be classified as a Wyoming resident for tuition purposes at any Wyoming community college.
9. Individuals with a permanent home in Wyoming. To determine if a permanent Wyoming home has been established, a variety of factors are considered. See full policy or Registrar for details.
10. An applicant for resident tuition who is a veteran or eligible individual, if the applicant enrolls at one of the Wyoming community colleges within three (3) years of his/her discharge and provides required evidence or documentation. See full policy or Registrar for details.

B. The following students are considered non-residents:

1. Individuals who do not qualify under Section A above; and
2. Individuals who are not U.S. citizens or permanent residents except as provided by Section A.2 or A.3 above.
3. Individuals holding a valid Nonimmigrant status in the following categories: F-1 and F-2, H-3 and H-4, J-1, K-1, and J-2, M-1 and M-2, Q-1, and R-2 visas except as provided by Section A.2 or A.3 above.

Students may appeal their classification as a resident or a non-resident by submitting an Application for Residency Reclassification to the Registrar. The student must submit the request and accompanying documentation on or before the first day of classes. A decision will be rendered within 20 days of the first day of classes. See full policy or Registrar for details. The Vice President of Student Success Service administers these Guidelines for each community college. Any questions or concerns about the residency policy should be addressed to the Registrar in Mustang Central.

Summer Financial Aid Guidelines:

After registering for summer courses, you must complete a Summer Aid Application if you wish to utilize federal or Hathaway funding to cover expenses. You can pick up the Summer Aid Application in Mustang Central if on campus, or request to have one emailed to you.

Federal Aid is awarded at the following levels if eligible based on FAFSA results: Less than ½ time (1-5), ½ time (6-8), ¾ time (9-11), full-time 12 or more credits.

Hathaway can be funded at less than ½ time (1-5 credits) for the summer semester only.

If financial aid, whether federal or Hathaway, is utilized for summer, it may impact future semesters award amounts. For further details regarding the impact on award amounts contact Financial Aid at 307-382-1884.

Return of Title IV Funds

Students withdrawing their attendance from Western Wyoming Community College that received some form of federal financial assistance (Pell Grant, Student Loan, or SEOG), may be subject to repaying all or a portion of the funds received.

WWCC will calculate the amount of aid that students earned based upon the number of days attended in the semester. Any portion not earned must be repaid. Should students choose not to make satisfactory repayment arrangements:

- they will be ineligible to receive funding in the future at WWCC
- their transcripts may be withheld
- they may be turned over to collections for the unpaid balance in addition to any additional charges incurred by the collection agency
