The primary purpose of the Student Development Center is to help you persist in your educational goals. Let us help you select a career and academic major, develop life skills, find part-time employment, and provide assistance when personal issues arise.

We are open Monday through Friday from 8 a.m. to 5 p.m.
(evenings by appointment)
Personal Counseling
Licensed Professional Counselors are available to assist with any personal issues that may be preventing your educational success or your personal well-being. We also provide crisis intervention to anyone experiencing a personal crisis who is in need of immediate assistance. For an appointment contact:

**Phone:** (307) 382-1652  
**Email:** bzerger@wwcc.wy.edu  
**Website:** http://www.wwcc.wy.edu/studdev/counseling_svs.htm

Academic Advising
Do you have questions about choosing a major? Come in and talk with one of our advisors about:

- How to choose a major
- How to succeed in your major
- General academic concerns

Transfer Assistance
The Student Development Center can provide information related to many post-secondary educational institutions. This information can aid students who are interested in transferring to a university or four-year college.

Student Development Center Library
Resources assist you with personal concerns such as relationships, stress, depression, addictions, and many other important topics.

Relaxation Room
The Relaxation Room can be used to relax and/or reduce stress before or after a test. There are cozy chairs and meditative music to help create a relaxing environment.

Support Groups
Support Groups serve as a means of support to help students cope with college demands and challenges brought about in everyday life. Students have the opportunity to talk with other students who share the same concerns. Support groups are developed based on need.

Testing
The Student Development Center is a national test site for the ACT, SAT, GRE, CLEP and TOEFL. We also schedule entrance exams for the Western Wyoming Community College nursing program.

National testing schedules and registration information are available in the Student Development Center as well as on the SDC website.

**Phone:** (307) 382-1652  
**Email:** kflaim@wwcc.wy.edu  
**Website:** http://www.wwcc.wy.edu/career_placement/usefullinks.htm#Testing

Workshops & Seminars
Workshops and seminars are offered to help the WWCC community achieve personal and academic success. Topics vary from semester to semester based on student, faculty, and staff needs. The Student Development Center always welcomes suggestions for workshop topics.
